

NCRAL REGION AWARD

OFFICIAL NOMINATION FORM

This form must be used for nominating NCRAL members (members of NCRAL affiliates) for the Region Award. No other form of nomination is considered acceptable. This form seeks evidence demonstrating the exceptional merit of the nominee as an amateur astronomer. Nominations submitted without the use of this form will be disqualified.

By providing the following information, the nominator will assist the selection committee in determining if the nominee stands “head-and-shoulders” above his or her peers in NCRAL.

Complete and return this form to:

Name of Nominee: _____

Nominee’s Contact Information: _____

Nominee’s Email Address: _____

Nominee’s Phone Number: _____

Is an official image included? ☐ Yes ☐ NO referred as an electronic file (jpg, png, etc.)

Nominee’s NCRAL Affiliate: _____

How Long a Member of the Affiliate? _____

Name of Nominator: _____

Nominator Affiliation/Office: _____

Nominator’s contact information: _____

Nominator’s Email Address: _____

Nominator’s Phone Number: _____

How long and in what capacity have you known the nominee? _____

1. Please describe if and to what extent the nominee has demonstrated a substantial record of service to his/her affiliate through member education.

2. Please describe if and to what extent the nominee has demonstrated a substantial record of service to the community (non-affiliates) through public service.

3. Please describe one or more outstanding accomplishments of the nominee in relation to the field of amateur astronomy, if any.

4. Please explain how the nominee has demonstrated exceptional observing ability (primarily the completion of Astronomical League observing programs, AAVSO observations, ALPO observations, special projects related to spectroscopy, imaging, photometry, etc.)

5. Please explain how the nominee has demonstrated exceptional leadership through service within his or her affiliate, NCRAL, and/or the Astronomical League.

6. Please describe any significant honors the nominee has received from his or her affiliate, NCRAL, the Astronomical League, or other astronomical group.

7. Please describe degree of participation in Astronomical League and NCRAL conventions or other special events dealing with astronomy.
